II. CAPITAL AND SHARE STOCKS

Capital, payment terms and methods of capital

Article 7 - Company's Capital

The Company has accepted authorised capital system according to provisions of Code No. 2499 and started this system with permission dated 11.9.1987 and no. 533 of the Capital Market Board.

Company's upper limit of authorised capital is 2.000.000.000,00 TL (twobillionTurkishLiras). Company's issued capital has been divided into 33.400.000.000,00 - (Thirtythreebillionfourhundredmillion) shares each amounting to nominal value of 1 (One Kuruş).

While the nominal value of shares was 500.- TL (Five Hundred Turkish Liras), it was changed into firstly 1 YKr (One New Kuruş) within the scope of Code 5274 regarding modification in TTK. then 1 Kr (One Kuruş) within 4 April 2007 date and the Council of Ministers Decision No. 2007/11963 of the New Turkish Lira and New Kuruş in the "new" word to be removed on 1 January 2009.

In these Articles of Association of the "Turkish Lira" labeled in accordance with the abovementioned Decision of the Council of Ministers are changed expressions.

Due to this change, total number of shares has been decreased, and 1 (One Kuruş) nominal value share is to be given for 20 shares each of which is 500 TL (Five hundred Turkish Liras). Concerning the said modification, rights incurred from shares owned by partners are kept reserved. Shares representing capital are tracked in records within the frames of registration principles.

The upper limit of authorised capital giving from Capital Market Board is valid between 2025 - 2029 years (Five years). Even if authorised capital cannot be reached to at the end of 2029, because board of directors makes decision to issue paid-in-capital after 2029, to get authorization for new time limit from General Assembly thereby getting allowance of previously permitted upper limit or new upper limit from Capital Market Board is obligation. The duration of this authority may be extended by 5-year periods with the resolution of General Assembly. Unless such authorisation is received, these corporations cannot make a capital increase by a decision of the Board of Directors.

The issued capital of the Company is, 334.000.000,00 TL (ThreehundredthirtyfourmillionTurkishLiras) which has been fully paid. Of this capital, 2.337.820,00 - TL (Twomillionthreehundredthirtyseventhousandeighthundred twentyTurkishLiras)'has been paid in cash.

Of the remaining amount, 15.161.068,60 TL (FifteenmilliononehundredsixtyonethousandsixtyeightTurkishLiras sixtyKuruş) is subscribed by Value Increase Fund formed as required by provisions of revaluation provisions enforced by Code 2731 which includes modifications in Tax procedure Code No. 213, the amount of 290.656.985,33 TL (TwohundredninetymillionsixhundredfiftysixthousandninehundredeightyfiveTurkishLiras thirtythreeKuruş), from Unusual Reserve Funds, the amount of 25.159.164,89 TL (Twentyfifemillionone hundredfiftyninethousandsonehundredsixtyfourTurkishLiraseightynineKuruş) from inflation adjustment on equity, the amount of 684.959,75 (SixhundredeigtyfourthousandsninehundredfiftynineTurkishLiraseventyfive Kuruş) from real estate sales added to capital, and the amount of 1.43 TL (OneTurkishLirasfortythreethreeKuruş) from capital increases made after Gübretaş Gübre Pazarlama ve Terminalcilik A.Ş. has been transferred.

Board of Directors is authorized to increase the issued capital, when he deems as necessary, between 2025 - 2029, in accordance with the provisions of Capital Market Legislation.

Article 8

All of the share stocks are bearer certificates and in any and all matters related to the share certificates and transfer of the certificates, book-entry system shall prevail and the provisions of TTK and Capital Market Regulations shall apply.

Article 9

If necessary, the Company may increase the capital. However increase in capital cannot be decided unless full capital is paid up. In the process of Capital increase, it is essential to act in compliance with legal terms. In case Capital increase is decided upon, the shareholders available bear preemptive right regarding purchase of purchasing shares to be re-issued. The terms and conditions of using this preemptive right, are to be decided upon by the Board of Directors through obeying legal borders. In increase of Capital made from equities, each shareholder shall own new shares at the rate of his share at the Company and free of charge. In Capital increase, full and payment of share prices is essential.

Article 10

The Company's capital can be decreased in compliance with TTK and only under decision of the General Assembly. Upon completion of Procedures regarding decrease of capital, capital is registered and announced in procedure. The procedure of decrease is to be determined by the General Assembly that decides upon decrease by taking into account mandatory provisions of TTK and related other legislation.

III. THE BOARD OF DIRECTORS

Founding, duty of the Board of Directors and management of the Company:

Article 11

The Company's Board of Directors consists of at least 5 (five) and at most 9 (nine) members within the framework of the Turkish Commercial Code, Capital Markets Legislation and other relevant legislation. Members of the Board of Directors are chosen by the General Assembly within the frames of provisions of Commercial Code among the shareholders. Provided that chosen by the General Assembly as the member of the Board of Directors, the person who acts principally and/or in deputy as the General Manager of the Company is the natural member of the Board of Directors. The Board of Directors is authorized to represent and bind the Company in the broadest sense at any subject not included within the exclusive power of the General Assembly as required by this Agreement hereby or by TTK or SPK or other relevant legislation. General Assembly meetings can be organized in electronic media if deemed necessary. The Board of Directors holds a meeting with the participation of half of the total number of members and decision is taken through positive votes of the majority of participants. This rule is applied when General assembly meetings organize in electronic media. Related other provisions of TTK and Capital Market Legislation about General Assembly meeting and decisions are applied. The members of the Board of Directors are paid monthly salary and attendance fee within the frames of Main Agreement provisions and as decided upon by the General Assembly.

The number and qualifications of the independent members to take office in the Board of Directors shall be determined according to the CMB regulations on the Determination and Application of Corporate Governance Principles.

Those who are entitled to participate in the Company's meeting of Board of Directors/Managers may be participate in such meetings via electronic means pursuant to the Article 1527 of Turkish Commercial Code. As per the provisions of the Communiqué on the Assemblies to be Held Electronically except for Joint Stock General Assemblies in Commercial Corporations, the Company may establish an Electronic Meeting System which may allow those who are entitled to attend and vote at the meetings in electronic media or purchase such systems which are developed for this purpose. At the meetings, it is ensured that those who are entitled shall exercise, through the system established pursuant to this provision of the Articles of Association of the Company or the system which is outsourced, their rights specified in the relevant legislation within the framework of the provisions of the Communiqué.

Article 12

The members of the Board of Directors are appointed for maximum three years but may be re-appointed. The General Assembly may dismiss any member of the Board of Directors at any time in the cases where the

agenda includes a relevant item or even if not, there is a good cause for it. If any membership position becomes vacant for any reason, the provisions of TTK regarding the vacancy of the positions shall apply.

If any member of the Board of Directors is declared bankrupt, incapacitated or loses the relevant legal qualifications for membership set out in the Articles of Association, the membership of such member shall terminate without any further action.

Article 13

The Board of Directors elects from his members a Chairman, and in case of his absence, an Assistant Chairman to act in deputy. The Board of Directors may found boards or commissions consisting of his members as necessary to supervise the process of business, to make studies concerning the issues submitted to it, to supervise the implementation of all the important subjects and decisions and to study on other subjects it deems as necessary. Related provision of TTK is applied about the meeting times and the type of taking decision of the Board of Directors. The member of The Board of Directors can always resign unilaterally by one's own will.

Article 14

The Company is managed and represented to third persons by the Board of Directors. In order to validate all the documents to be given and the contracts to be acted by the Company, these are to bear the signatures of two persons authorized to bind the Company, put under the official title of the Company. The circular to be issued to show who are the signatories authorized to sign for the Board of Directors, their capacity to sign, which grade of signature is required for which kind of procedures, is to be sent to the necessary departments, institutes and banks and to others concerned. The copy of the decision regarding the capacity to represent certified by the public notary is to be submitted to the registration office. The Board of Directors may assign a part of his powers and rights to perform the business and execution of the decisions he took, to one or a few of the managers or members who are not obliged to be shareholders: These are called corporate members. According to an internal directive to be regulated within the frame of the relevant provisions of Turkish Commercial Code, the Board of Directors is authorized to transfer the management to one or a few members of the Board partially or completely and/or to third parties which are not the members of the Board. The duties and authorities in the relevant provisions of TCC and CMB are reserved.

If corporate member is more than one, they make decisions by majority of the votes. Duties, Powers and fees to be given to corporate members are to be determined by the Board of Directors. Their appointment and dismissal are to be carried out by the Board of Directors, and registered and announced to the Commercial Registration. Obligations, terms of service and the state of inability to assign their duties are subject to provisions of Turkish Commercial Code.

Article 15

The Board of Directors is authorized to increase the issued capital by issuing shares, when necessary, in accordance with the Capital Market Legislation. The board of Directors again is authorized to issue shares on its nominal value. The Company may issue bonds, bonds exchangeable with share stocks, profit subscribed bonds, certificates of profit and loss partnerships, participation usufruct notes, financial bonds and any kind of securities permissible to be issued in the future within the frames of TTK, Capital Market Code and notifications and decisions of other relevant corporations. The power of the General Assembly to issue the above mentioned securities is to be had by the Board of Directors as required by the relevant articles of the Capital Market Code and in accordance with the relevant Notifications of the Capital Market Board. In pursue of this Article, decisions taken by the Board of Directors, are to be announced within the frames of principles to be specified by the Board. The Board of Directors are authorized to participate in the Company to be founded within and outside Turkey as the founding partner, to join a company available, to sell his stocks, to join the Capital increases and to start any kind of legal dispositions concerning the participations.
